Oh Baaaabe

Kathleen Loves You
She knows you're great
Thinks you're funny and responsible
But still doubts you're 5 foot 8
She thanks God every day
That you met
She says you give great community relations in bed

And you are her hombre
Her little Pepe
Oh Baaaabe
Happy Valentines Day

She knows what you mean
When you garble the words you say
And though mama's Enchiladas made her fat, that's okay
She'll buy pizza, talk baseball cause she's a loving wife
And she says "I love my sugar baby for life"
