Boonie's Boogie

Early in the morning he'd much rather stay in bed
Dreamin with the covers pulled over his unshorn head
That the Pirates hit a homer with a sonic boom
And he ends up somehow in the Ladies room

This is Boonie's Boogie
Mickie loves him so much
Boonie's Boogie
'Cause Boonies got the Loving touch

Everybody loves him he's a Rabbinic Santa Claus (Santa Claus he's a
Santa Claus)
Big and Kind workin' on the communities' Cause (Santa Clause he's a
Santa Clause)
Nobody we know works harder under the sun (Under the hot hot sun)
And he won't quit till the job is 85% done

I'd like to give Special Thanks to Avi Silverman for makin' this
possible
